Present Land Use/Zoning/General Plan Designation:

Butano State Park

Project Description:

The project is the General Plan for Butano State Park that provides long-term guidelines for future proposed facilities, land use, resource management, operation, interpretation, and concession operations at the park. The General Plan and Draft Environmental Impact Report is the first tier of environmental analysis. Future implementation of General Plan proposals may occur in phases as funding becomes available, and these proposals will be subject to additional project-specific environmental review.
